No. 5

Final Statements Issued By The Candidates

(By Linley)

This newspaper in its last two issues and this issue has been generous in publishing all material furnished relative to the facts and issues of the forthcoming election for school trustees of the Lakeside Union School District, to be held Friday, May 15, 1953.

As a member of the Board of Trustees, I deemed it my duty to assist in fully informing the public of all pertinent facts which have caused four persons to file declarations of candidacy for the two positions open. This duty I have performed; all voters are now in a position to decide intelligently which candidates should be elected. If doubt still remains, I am sure that either Douglas McClain, Art Foster or Frank Claycomb, also members of the Board, will further clarify the situation upon request.

The fifth member of the Board, Hart Dunham, and his fellow candidate, Mrs. Edna Kouns, deny the accuracy of my statements; in their published statements of last week, both deny antagonism toward Mr. Walker, our school superintendent. It therefore becomes necessary, with the express permission of Mr. Walker, to make available for publication a letter written by Mr. Dunham to Mr. Walker little more than a month ago, in order to give all voters the opportunity to decide the truth of the matter.

It will be noted that, in this letter, Mr. Dunham states that one of his chief concerns is his "own sure reelection to office"; my own attitude is that I desire reelection only if the people wish me to continue this service, and thus I see no reason for further campaign statements.

It is my understanding that Mr. Dunham's letter is printed elsewhere in this publication.
J. Rupert Linley.

Bernard Gorospe, USAF was home on leave visiting with his mother, Mrs. Faith Gorospe and sister Evangeline on Orange Ave. He left for the east coast where he will be processed for overseas duty. Another son Dave is now serving with the Navy.

Earl Fankhanel Now in Rest Home

Earl Fankhanel was recently transferred from Mercy Hospital where he has been for sometime, to a rest home in El Cajon. His condition is satisfactory, but will require some months of convalescing before he is strong enough to go home.

Newspapers Wanted

If you are one of the many who have accumulated newspapers in your garage and wish to dispose of them, please call H4-1388 eves. and Mrs. Barbara Schnurr will be glad to call for them at your home if you will give her directions.

The papers will be sold with proceeds to be used to help purchase a car for the sisters at St. Mary's School where Mrs. Schnurr helps transport a number of children to each day. Pick-ups will be the 2nd and 4th Monday of each month.

Cancer will strike ONE in FIVE. Learn the danger signals.

STATE BOARD OF EQUALIZATION FOURTH DISTRICT LOS ANGELES, CALIF.

TO THE EDITOR:

Complying with the notice sent you on March 30 relative to a hearing on a protest against the application of:
Noel J. Grover & Orville A. Stockman,
The Shuffleboard,
S/S of Woodside St.,
500 East of Cajon Ave., Lakeside

for an on-sale beer license, the purpose of this is to inform you the additional paragraph on that March 30 notice was correct as the case did not come up for decision by the Board at its April 16 meeting. The next Board session is scheduled for May 7 (not 8 as stated on the previous notice) and when report on that meeting is received by this office you will be notified what the decision or suitation is on this case.

J. P. Greene
Public Information Officer
Fourth District

(By Tom Barkdull)

I am certain that by now the voters of our school district have been able to separate the chaff from the facts and have found the true issues standing clear cut and unclouded regarding the coming election for Trustee.

It should not be necessary to state more than has already been stated by myself and Mr. Linley and I believe there are certain letters appearing in this issue which will bear out the true intent of two other candidates. This intent is exactly as it was presented by us in our opening statements.

Mr. Linley and I will hold steadfast to our contention that Superintendent Walker has produced outstanding results in his administration of our school district and that he shall be retained in his present capacity.

I wish to point out also that it is the belief of many that both a legal mind and a mind trained in the profession of Construction Engineering are a valuable asset to our Board of Trustees at this time. Mr. Linley and I offer to you, the voters of the Lakeside District, both of these qualifications. Many legal questions arise during Board meetings which Mr. Linley has handled for that group. During our present period of construction I offer to you the experience gained through twenty years of living with every type of construction from small buildings to major highways. It is our hope that you will accept the offer of these services on May 15.
Thos Barkdull

Girls 4-H Club Meets Every Saturday

Girls from 10 years and up are invited to participate in the activities of the 4-H Club under the direction of Mrs. Dollie Carver and by phoning her at H4-6330 further information is available. The girls are taught cooking, sewing and knitting and meet in the Scout Hut each Sat. from 12:30 to 2:30 p. m.

The Optimist Club of Lakeside are furnishing the building for the meetings, and it is hoped that in some way funds can be raised to help pay for the electricity and butane gas which they will use while cooking. Any adult who might be interested in this project, and any who can help to teach the girls knitting are asked to contact Mrs. Carver. She feels this is a worthy project, and will keep the girls busy throughout the summer months. At present they are knitting stoles, making knitting bags, pot holders and will learn to cook a complete lunch. Mrs. Carver is giving of her time, and is happy to teach these twelve young ladies who are now active, the fundamentals of good homemaking.

Red Cross Blood Bank Coming To El Cajon

Anyone desiring to donate blood can do when the Red Cross Mobile Unit arrives in El Cajon on May 9 between the hours of 11 a. m. to 4 p. m. Blood donations may be reserved for Lakeside if given by residents of this area. The Lakeside Blood Bank is now completely out of blood, therefore, it is in dire need of replacement for emergencies which may come up on our community. Chairman Earl Barker will be glad to furnish you with any further information.

(By Mrs. Kouns)

The type of publicity being released by Mr. Linley and Mr. Barkdull is an insult to the intelligence of every citizen in Lakeside and an insult to the community.

That a simple difference of opinion has brought into play such political tactics should indicate to the thoughtful voter that surely there is more here than meets the eye. In my opinion their energies would be better spent in creating more light and less heat.

Mr. Dunham and I desire the best possible education for the children of this district, yours as well as our own. We feel that all taxpayers deserve consideration, whether they are the parents of school children or not, and that their welfare is considered when tax money is spent prudently.

We trust that those who know us even casually are convinced that we are sincere in our beliefs. Those who wish to know more about this issue are urged to attend the meeting of the trustees May 4.
Edna Kouns

Cub Scout Den Mothers Meet

A meeting was held in the Howard Fuller home last Thursday evening, when den mothers and committee members were appointed and named. Cub packs are now being registered.

Services Mon. for Local Resident

Military funeral services for Thomas Ostergaard, 54, of Lakeside will be held next Monday, May 4, 11:30 a. m. at Fort Rosecrans.

Mr. Ostergaard died while aboard the SS Luckenbach while in Havana. He was a Marine radio officer.

He was born in Upland, Nebraska and moved to Lakeside a year ago having purchased a home on Julian Ave. with his wife Kathryn. A son Mark in Chicago, two step children and four grandchildren, one brother in Omaha, Nebraska, a brother in Washington State and a sister in Upland, Nebr. survive him.

Dave Salas Joins Army

Another local boy has entered the service and he is David Salas, son of Mr. and Mrs. Joe Salas of Cajon Road. The Salas have lived in Lakeside for ten years or more and well known. Dave was honored at a party on Saturday evening when friends and relatives gathered to wish him good luck upon entering the service.

Mrs. Helen Coleman, arrived back in Lakeside two weeks ago and is happy to be home with her two daughters, Mrs. Dorothy Schultz and Mrs. Louise Bingham. She has visited in Wyoming for several months.

Old Timer Recuperating

In the days of stage coaches and when the railroad came through Lakeside, Mr. James Kallan was an old timer and was well known around this area. He had the misfortune to step in front of a fast oncoming car about seven weeks ago and has been in the La Mesa Hospital ever since under the special nursing of Mrs. Ruth Klippel. Mr. Kallan suffered a ruptured ulcer and two broken legs, but is gaining strength rapidly at this time and expects to leave the hospital soon. He celebrated his 80th birthday in March.

Recreation Ass'n. Meet

At the Recreation Meeting held last Tuesday, April 22, in the Education Center, Joseph Holland spoke for the boys of the community. He stated that an officer from Sheriff's Dept. frisked them at approximately 9:30 one night on Main St. He was very indignant and claimed this was no place to spend their time.

The Board of Recreation Ass'n. moved to purchase the boys some athletic equipment to be installed at the Kiwanis Hall which is now the Youth Center.

The two following letters to Supt. Walker, are the grounds on which Linley and Barkdull, base their statements that Dunham and Kouns desire Walker's ouster. (Ed.)

(By Kouns and Polk)

March 11, 1953

Trustees of the Lakeside Union School District
Dear Sirs:

For twelve years we have been actively interested in the Lakeside School District. In that time we have been called upon many times to serve on various committees to promote bond issues, building plans, and other programs.

Never have we protested any action recommended by the board.

We have served to the best of our ability and have been made to feel by the district superintendent that he, and you the trustees, have appreciated our interest, and that we have been helpful.

However at the special meeting of the Citizens' Education Committee two weeks ago we recommended action contrary to the wishes of the district superintendent. After twelve years of helping in every way in our power to promote better schools in the community we suddenly opposed a proposed plan.

WHY?

Was it because we have a personal grudge against one of the trustees, one of the custodians, one of the teachers, a principal, or possibly the district superintendent?

It was not.

We made a careful survey of the problem. For over a week we talked with principals of schools in other districts, architects, contractors, school district business manager, building inspectors, and county school officials.

We secured information on which we based our opinions from the following: Paderwshi, Mitchell and Dean, architects, Mr. Mitchell, Sam Hamill, architect; Mr. Foster.

Santee School Business Manager; Mrs. Bliss; Grossmont Business Mgr.; Harold Hughes.

Grossmont Principal; Lewis Smith. Jamul-Las Flores School District; Mr. J. D. Sharp.

San Diego County Education Center.

Civic Center, Business office of the San Diego County Schools.

John Godwin, building contractor. (Continued on Page 8)

Letter to Editor

The following letter from Grossmont Superintendents, Smith and Hughes, refers to letters above, by Mesdames Kouns and Polk.

Mrs. Edna Kouns

Mrs. Bertha Polk

Dear Mesdames:

It has been called to our attention that our names have been listed in your letter of March 11th to the Board of Trustees of the Lakeside Union School District. This letter indicates that we furnished a part of the information to your committee upon which certain opinions relative to the affairs of the Lakeside School District were based.

The information which we released to you consisted of reports from the files of the Grossmont Union High School District. We provided the following information:

1. Transportation Cost Study Grossmont Union High School 1951-52.

2. San Diego County Administrators Association - Transportation Survey.

3. A Study of School Building Costs During Recent Years.

This information is public property and is available to any citizen upon request.

We do not understand how these reports could support the opinions expressed by your committee. We do not understand the connection of our names with the opinions contained in the letter. We wish to have our names dissociated from those opinions because they are your opinions.

We have been appreciative of your interest in and support for the educational programs in our community. We also have a high opinion of Mr. Walker's abilities as School Administrator. Therefore we do not wish to become involved in a controversy which should be decided by the Citizens' Advisory Committee, the Lakeside Board of Trustees and the Citizens of the Lakeside Union School District.

Cordially yours,
L. F. Smith,
District Supt.

(By Dunham)

Lakeside, California

March 3, 1953

Mr. E. M. Walker
Lakeside, California
Dear Sir:

It would appear from the result of the voting in the citizen advisory committee on Monday evening, Feb. 23, that you were able to maintain your domination over any and all matters pertaining to school matters in this community. But a good general always analyzes a victory, and I am sure that some very close scrutiny should be made of the events that transpired on the above date.

My first reaction to the way in which the meeting was conducted, was to come to you and show you wherein the sort of conduct that you are now indulging has as a matter of course, about sustained itself as long as the thinking people will submit. But that approach was discarded for some very obvious reasons.

As anyone who has ever attempted to do anything against your premeditated plans and purposes will testify, it is a sheer waste of time to expect to tell Elmer Walker anything, anywhere, anyhow. And the record will show, and a lot of situations will bear rich testimony, that we have listened with docility too long.

Also it would be impossible for me to get any idea or ideas across to you in a meeting, due to the fact that you would have spent endless hours and ceaseless effort in building an iron-clad defense. Add to that the fact that you ever have at your disposal an assistant, who is prone to confuse hauteur with information, and you can see why I must resort to this method. Never get the idea that I am dismayed at your pressures. The only quality that awes me is that one of superior ability, and the burden of proof remains with you.

But the most important reason for writing this, is the fact that I want to record my stand against an unhealthy and somewhat intolerable situation, at a time when most of the dissent is yet but the grumbling of a lot disgruntled constituents. Within the very near future, some definite issues are going to be resolved in this little neighborhood, and I am not afraid to be counted.

Now let's see what you achieved on Monday evening. The fact that the chairman gave the group a well coached harangue before letting anyone come into the picture, violated all the ethics of good procedure. For a man who says that he doesn't care where the rooms are built, you surely put up a substantial and rather heated argument. You also passed on the eligibility of voters when you made the statement "that all citizens vote." Of the two people refusing to vote because of certain scruples, both would have voted no. Three persons present stood in the fear of direct and ruthless reprisal, so we cannot be swayed unduly by the stand that they took.

I am not sure what a board of trustees would be able to get out of the meeting, but the only conviction that came home with me was that no matter what you want done, you are ever ready to pay any price for your product.

Up to now you have been supremely successful in bullying through every item of every agenda in every meeting. That sort of success is bound to add a guy's thinking. But from where I stand, I see the beginnings of a revolt that is bound to affect not only you, but the entire district. Let me point up a few weaknesses in your reign.

First of course is the picture of finance. From now on out our district will be dependent upon the regular passage of bond issues in order to obtain money enough to run. And about the only reason any issue is passed by a two-thirds vote is simply because no one takes the trouble to oppose it. Can you count on that situation? Any grandiose plans of any leader can be greatly curtailed by limiting the flow of money.

Another thing that gripes my independent soul, is the fact that as the school board is now constituted, you are able to have your head like a young horse, and feel relatively sure no organized effort will ever be made to detain you. The lone voice of negation is pretty well smothered by the avid and supercilious arguments of one who is quite

(Continued on Page 8)

— EDITORIAL COMMENTS —

The Star feel that the time has now come where we must present our readers with the facts as we see them in this present trusteeship race.

We like no part of this controversy because the four candidates in this race are all of them friends of the editor and no matter what stand we take we are bound to hurt someone we highly esteem.

We must also establish one fact and that is the Star is your medium for local news and they must be presented as they are, otherwise the Star or any paper is without value if it takes a dish rag attitude on local matters.

Having established the fact we will now get to the kernel of this nut.

Linley and Barkdull in statements published in past two issues state that Dunham and Edna Kouns wish to oust Supt. Walker. This is denied by Dunham and Mrs. Kouns.

Our only comment on this denial is to ask our readers to read the two letters on this page, one signed by Hart Dunham, the other signed by Edna Kouns and Bertha Polk.

After a study of these letters it appears to the Star that Linley and Barkdull had no alternative but to assume that Walker's ouster was the crux of the matter. To go on from there we were present at a meeting of the Citizens Advisory Committee held at the Lakeside School Administration Building when a statement by an endorser of Dunham and Kouns that stated administrative costs were top-heavy and felt that school administration should be left to the principals of the two Lakeside Schools.

Again on April 20th, at a meeting of the Citizens Advisory Committee group the same thought was expressed by another endorser of the above candidates.

This type of thinking can be best expressed by quoting these lines from a poem, "Backward, go backward, O time in they flight."

Whether we like it or not one cannot go back — the days of the little red school house are past and education today is the nation's major business. School policies are directed from Sacramento, hence the state-wide cry of excessive costs, too many fills, etc., must be corrected from there.

The Star feels that Supt. Walker has done an outstanding job for Lakeside. What he has done, however, was done at the direction of the Board of Trustees who are his bosses.

Lakeside is fast approaching the stage where the school district will need an assistant superintendent and a business manager, hence this talking of doing away with our Supt. is about as infantile as King Canute's attempt to keep back the tides with a broom.

We do not feel, however, that Walker never makes mistakes, but these mistakes should be laid in the lap of the Board of Trustees, who are his superiors. To go on from there, lay the blame where it belongs — in the lap of the taxpayers of the Lakeside Union School District whose inertia and gullibility are no different from that of taxpayers throughout the nation.

We close our summary with the request that our readers study the letters and statements published in this and past issues and then decide who to support and when this election is over, get together and endeavor to work as a unit. We feel that our educational system if permitted to continue, in its present course, will turn into a Frankenstein that will ultimately consume us.

The Star will ignore any reference to whispering campaigners, feeling that our readers are above that type of garbage. We will continue to publish any letters or statements the same are signed with the proviso that they deal with facts.

Advisory Committee

The Citizens Advisory Committee at their meeting Monday, April 20th, by motion moved that the present 39c excess tax be continued, and applied to salaries of teachers and staff of the Lakeside Schools.

This motion came after a lengthy discussion that caused the motion to be reworded several times.

It was evident at this meeting that if the Advisory Committee are to play to standing room only houses, more spacious quarters are needed.

The excess tax was the only matter taken up and was discussed without any display of temper.

As usual in most of these Civic Meetings, two or three did all the discussing — the others just listened.

Inasmuch as only the representative of local organizations were permitted to vote, no definite idea of the opinion of the others present could be determined.

Local Archers Take Share of Awards

At the State Championship Archery Tournament held at Bakersfield last Saturday and Sunday, April 25-26, participants from Lakeside came home with several awards.

Men's Free Style Championship—Roy Dill Tied for First.

Men's Bare Bow Championship—Corky Johnson, First; Frank Eicholtz, Second.

Men's Class A—Wilson White, Second.

Men's Class E—Merton Ankrum, First.

Boy's Junior Championship—Bob Browning, First.

Boy's Junior Championship—Charles Phillips, Fourth.

Women's Bow Championship—Beda Mathews.

Women's Class A—Marion Flynn, First; Mary Powell, Second.

Women's Class B—Mrs. Atkinson, First; Mrs. Eicholtz, Second.

Highest score for man and wife: Bare Bow—Mart and Beda Mathew; Free Style—Ruben and Mary Powell.

RH Positive Blood Needed

An urgent appeal is being made through the means of the Star for RH positive type blood. Mrs. Ann Harts of Wintergardens who recently had an operation is desperately in need of RH positive blood. Anyone who is able to give blood for this emergency should contact Mr. Geo. Harts, H4-1814 or H4-6037 at once.

Today the following resolution was passed: "The 1953 San Diego County Grand Jury is not in favor of Senate Bill 1431."

C. L. CHRISTIE, Foreman
San Diego Co. Grand Jury

"Man's Right to Freedom" will be the subject of a Christian Science program to be given on Columbia's Church of the Air over KNE on Sunday, May 3, at 7 a. m. The speaker will be Bruce Ludgate, Jr., of Philadelphia. The program will be given under the auspices of the Christian Science Committee on Publication for Pennsylvania.

Coming Events

THURSDAY, APRIL 30:

Woman's Club Flower Show, Memorial Bldg., 2 p. m.

Optimist Club.

FRIDAY, MAY 1:

Youth Center, Kiwanis Hall, 3 to 9:45 p. m.

SATURDAY, MAY 2:

Youth Center, Kiwanis Hall, 3 to 9:45 p. m.

MONDAY, MAY 4:

Garden Club, Community Church.

TUESDAY, MAY 5:

Woman's Fellowship, Community Presbyterian Church, 1:00 p. m.

WEDNESDAY, MAY 6:

V. F. W. and Auxiliary, Memorial Bldg., 8 p. m.

Lakeside Welfare Association, Education Center, 7:30 p. m.

THURSDAY, MAY 7:

Delphian Society, Kiwanis Hall, 10:00 a. m.

Farm Bureau, Memorial Bldg., 7 p. m.

Alpine Report

L. TITUS — H4-2479

The home of Wm. L. Bogen, on Silverbrook Dr. in Harbison Canyon was totally destroyed by fire, of unknown causes, on Monday morning, April 20. No one was at home when the fire was discovered by Mrs. Geo. Mitchell, a neighbor. The family, consisting of the parents and three children, lost all their possessions. Mr. Bogen is a plumber.

Growing interest in the proposed Boy's Band for Alpine, is evident with the announcement of the visit to Alpine this summer of the Tucson Boys Band. The Tucson boys will hold their third summer camp in Alpine from July 2 to July 15; two concerts will be given in Alpine, one for the Youth Center Barbecue on July 4 and the other on a date to be announced. Other arrangements are being made to play in the San Diego area. Information concerning the availability of the band may be obtained from Phil Hall, Wm. Suter, or Mrs. C. H. McCall, all of Alpine.

Rites for David M. McCartney, 57, of Alpine were held in Johnson-Saum Mortuary, San Diego, on Tuesday, April 21. Mr. McCartney, a civil service employee, and long a resident of San Diego County, died Friday. Survivors are his wife, Dora; two sisters, Mrs. Irene Josselyn and Mrs. Eunice Pendarvis, and two brothers, John and Edward.

GAMMAS ELECT NEW OFFICERS

Election of officers for 1953 was held at the recent meeting of the ESA Sorority, with the following being chosen: Ava Anderson, president; Dorothy Hall, vice-president; MIMI Wilson, recording secretary; Grace Buchmiller, corresponding secretary; and Teemo Brown, treasurer.

Due to the success of the last Rummage Sale, beyond expectations, it was decided to donate additional funds to the Girl Scouts Camping Fund and a check for \$60.00 was given to Mrs. Elna Huey, in charge of the fund.

FASHION SHOW TO BENEFIT YOUTH CENTER

Because of the growing interest in such events, the Gamma girls have decided to stage a Children's Fashion Show, Wednesday, 13, at 8:00 p. m. in the new school auditorium. Proceeds will go to the Youth Center Playground Equipment Fund. Tickets may be obtained from any Sorority member at 50 cents for adults or children under twelve years 25 cents.

Guthrie's Children's Shop, El Cajon with Mrs. Pauline Beauregard in charge will present a complete line of children's wear from beach to party togs. Marc's, also of El Cajon, will present their full line of Spring and Summer styles.

There will also be a raffle of an electric Fryrite with tickets on sale at the meeting.

Cecil Smythe of Alpine has joined the U. S. Air Force and is awaiting orders to report for duty.

ty. This very popular young man will be missed by the members of the Pilgrim Fellowship, in which he was quite active, and by the younger set generally. Cecil was an "A" student in San Diego Junior College.

Mrs. Jean Kern and Mrs. Norma Katherine Smith will attend the San Diego County Needlecraft Guild in San Diego, on Monday. They will receive instructions for the Fall sessions of the Guild and plan for Alpine's activities.

At a meeting of the Alpine Scout Troop Committee, at the home of the secretary and treasurer, L. Titus, on Monday evening three new committee members were welcomed into Scout activities. They were: Mr. Robt. Kreyling; Mr. Hughes, of Harbison Canyon, and Mr. John Hanson, of Dehesa. Mr. Hanson will form a patrol in Dehesa, six boys already being signed.

Plans were made for an overnight camp at Green River Falls, April 25 and 26. With a further appropriation by the Alpine Kiwanis Club of \$80.00, the financing of the Scouts attending the National Jamboree seems assured. There will be an Overnight Camp soon to practice for the Jamboree.

Geo. Mitchell, Scoutmaster, is showing remarkable success in winning the complete co-operation of all the Scouts in rebuilding the Troop to its former high standards. Even in matters of discipline the boys co-operate without question. The future looks bright indeed.

The entire membership, of nineteen boys and girls, of the Pilgrim Fellowship, of the Alpine Community Church, will attend evening devotions on Sunday, and then adjourn to the home of Mr. and Mrs. Hans Kern, on Victoria Drive, for an evening of Square Dancing, games and refreshments. With the huge den in the Kern home, and with a big fire blazing on the hearth, this should be one of the memorable events of this fine organization. Dr. Roger Larson, pastor, will attend as adult representative. Hans Kern, Jr. will be host for the evening. More than all the laws, police officials or Detention Homes, this type organization is proving the greatest deterrent to juvenile delinquency. These boys and girls are proud to tell their parents where they are going.

Fourteen members and their wives, of Kiwanis Club of Alpine, will journey to Hemet on Saturday, to attend Kiwanis Day at the Ramona Pageant. Reservations have been made by the secretary and the group will leave Alpine at 8:30 a. m.

FIRE DEPARTMENT NEWS

The work on the new Fire House is progressing favorably. The doors are ready to be hung and are awaiting the removal of the plate glass windows in the front of the building. Present plans contemplate occupation of the new quarters by May 15.

The telephone number will be

the same as now: Harrison 4-2343.

Fire Chief Randazzo has announced that all existing burning permits will expire May 1st.

After May 1 no permits will be issued without inspection and approval by Fire Marshall Robt. Conrad. It is imperative that the materials to be burned be assembled, ready for burning, before inspection.

Chief Randazzo urges immediate checking, by all residents, of their incinerators, for safe covers, screens etc. All incinerators must be at least 30 feet from any structure, brush or other inflammable materials. Attention is called to the regulation: Any property owner, renter or other person causing a fire shall be assessed the costs of extinguishing said fire, whether on his, or her, own property or not. Where such fire calls for the Federal and State equipment and men such costs can amount to a large sum. Now is the time to check all equipment, incinerators, wiring, gas fittings etc. Also clean up any broken glass which may reflect the sun's rays and start grass or brush fires. Inspect now and save.

Anyone needing a boy to clean up the grounds around their homes, work in the garden, wash windows or other chores, please call L. Titus, Harrison 4-2479, and a Boy Scout will be dispatched as soon as possible. Several boys have proven very satisfactory. They need the money for expenses incidental to the National Jamboree and for Summer Camp.

So far, no action has been taken to eliminate the fly menace to the health of the community by the various so-called civic organizations of Alpine. One merchant was heard to remark "If I get mixed up in this fly controversy some of my customers are going to be angry. Well, what will happen to his business if there is an epidemic of typhoid or diphtheria among the children of Alpine. Will his customers be any happier?"

At the March meeting of the Alpine PTA the following officers were elected for the coming year: President, William Doerr; vice-pres., Mrs. Jerry Klipp; secy., Mrs. C. Cost; treas., Mrs. Paul McGinnis; parliamentarian, Mrs. C. H. McCall; and historian, Gerald Heinrich.

The new officers will be installed May 21. The School Board will meet May 12 for preliminary study of the budget and conduct of routine business.

Services were held Monday at 2:30 p. m. in the Lewis Mortuary for Mrs. Bertha Harmon, 76, who passed away on Wednesday. She moved to Alpine three years ago. Survivors are her husband, Joseph and son Joseph T. Harmon.

Office Engineering Works is being expedited on Alpine Sanitation district in order to start actual construction as soon as possible.

At the Thursday evening meeting of the Alpine Kiwanis Club the speaker Hap Halliday, secretary of San Diego Retail Grocers Association, used the subject "Business Practices of Today."

Mr. Halliday predicted a bright future for Alpine provided the merchants follow accepted business ethics and endeavor to warrant the trust and friendship of customers.

Mr. Halliday stated there were 900 grocers in San Diego of which 300 were members of the association.

Lieut. Gov. James Rusk was a dinner guest and conducted a special meeting of the board of directors following the regular meeting. He urged close cooperation with the Chamber of Commerce in promoting future betterment programs for the community.

Following Mr. Rusk's talk it was decided to invite an official of the Chamber to attend a dinner meeting of the Club and to outline the program of the Chamber and discuss ways and means of cooperation between the Kiwanis Club of Alpine and Alpine Chamber of Commerce. One of the Club members expressed the hope that the two bodies can further the establishment of a Water District for Alpine and also expedite efforts looking toward bringing a bank to Alpine in the near future.

Both Mr. Halliday and Mr. Rusk are well qualified to predict the future of our community.

BOSTONIA BRIEFS . . .

By Toy Musgrave

H4-0288

Mrs. "Jack" Frost, President of the El Cajon P. T. A. and Parliamentarian of the El Cajon Council, will install the new officers of the Bostonia P. T. A., Tuesday evening, May 5, at the monthly meeting at the Bostonia School Cafeteria.

The yearly reports will be given by the auditor, Mr. J. Irvine Howland, and the historian's report, by Mrs. Frances Emerson. Hostesses for the evening will be the Fourth Grade Room Mothers.

The Homemakers Class of the Sunday school of the Bostonia Wesleyan Methodist Church met at the parsonage Friday evening, April 24, for a social gathering. Mrs. Floyd Gates and Mrs. Eugene Hewitt were in charge of the refreshments, and Mrs. Stanley Douglas arranged the entertainment. In May, Mr. and Mrs. Stanley Douglas will entertain the group in La Cresta.

Members of the Wesleyan Methodist Church voted unanimously to adopt a tithing system of all money of the Church to aid in the support of home and foreign missions and for benevolent work. The first Monday of each month has been selected as the business meeting, and they will be held in Fellowship Hall.

Mr. and Mrs. Truett Thornton spent Saturday in Lemon Grove at the residence of Mr. and Mrs. C. C. Dally.

Miss Eloise Roberts, daughter of Mr. and Mrs. John Emery Roberts, of 500 Highway 80, will be married Friday evening, May 1, to John Norman Roberts, son of Mr. and Mrs. John J. Roberts, 441 Millar St., at the Wesleyan Methodist Church. The bride will graduate in June from Grossmont. The groom graduated in the class of 1951, and is employed at B. H. Dye and Tool Co., San Diego.

May 1 is the deadline for contestants to submit entry blanks for the Fairest of the Fair contest. Teen age girls interested, please contact Mrs. Truett Thornton, H4-0326. The Bostonia contestant will be selected Wednesday evening, May 6, at the Bostonia School.

Mr. Phil Brown, 987 North Second St., is the Zone Warden for the newly organized Bostonia Civilian Defense area. Mr. Fred Vanderbilt is the first assistant zone warden, and Mr. Gene Bo-vee, second assistant. Smokey Rogers was just appointed chief of Radio and TV publicity; Roxie Shannon, publicity, assisted by Charlotte Vestergaard.

A First Aide course will be offered with a Red Cross official as the instructor, when 15 members sign-up for such instruction. Any man or woman interested in either the First Aide course, or interested in being a member of the Civilian Defense in the Bostonia area, please call Mr. Brown at H4-4974.

T. B. Can Be Prevented

Tuberculosis and automobile accidents may seem to have little in common, but they are alike in that both can be prevented. Both rank tragically high among causes of death in this country.

In 1950, highway accidents caused 33,577 deaths, and tuberculosis 33,633. Gross death rates from both causes were thus identical, 22 per 100,000.

Most of us are familiar at first hand with the perils of the highway. Almost daily we see newspaper accounts of spectacular motor accidents. We are all

aware of the need for preventive measures.

Although tuberculosis is less spectacular and less publicized, we must not forget that it can be just as deadly as a car out of control. And just as unnecessary. Knowledge of the facts about the disease is the first preventive weapon.

Tuberculosis is a chronic, communicable disease caused by a germ called the tubercle bacillus, which is spread from person to person. It is not inherited, any more than is careless driving. It does not attack just the young and frail. Anybody can catch TB, rich or poor, young or old.

The "rules of the road" to prevent tuberculosis require a balanced, nourishing diet; plenty of sleep; moderate outdoor recreation; clothing suited to the weather to prevent colds; avoiding people who do not cover coughs and sneezes, and having a regular medical examination with a chest X-ray at least once a year.

Tuberculosis seldom shows any outward symptoms in the early stages, but the X-ray can detect it. The sooner TB is discovered, the better are the chances for quick recovery, and the smaller are the chances for the germs to find new victims. (This column is sponsored, in the interest of better health, by the San Diego County Tuberculosis and Health Association.)

XETV (Channel 6) will take another forward step Friday, May 1, when it brings to San Diego County listeners a dozen new programs hitherto unavailable locally.

These will include Hopalong Cassidy, Dangerous Assignment (Brian Donlevy), Orient Express, Famous Fights, I Am the Law (George Raft), Counterpoint, Abbott and Costello, Big Game Hunt, Heart of the City (formerly Big Town), China Smith, Regal Theatre and filmed wrestling matches.

In addition Lionel Van Deerlin, XETV's news and public relations director, will offer a nightly newscast with up-to-the-minute United Press telephoto service at 9:45 p. m., Monday through Friday.

XETV will now be on the air seven hours each evening, except Saturdays.

CRIME DOES NOT PAY

SACRAMENTO, Calif. — There should be one reformed character in the underworld here after he reads this. Not only did he fail to find anything valuable in the two safes at a bottling company plant that he laboriously "cracked," but the second safe wasn't even locked. A turn of the handle would have opened it.

"Hot flashes" of Change of Life stopped or strikingly relieved

in 63-80%* of the cases in doctors' tests!

• Those suffocating "heat waves"—alternating with nervous, clammy feelings — and accompanied often by restless irritability and nervousness — are well-known to women suffering the functionally-caused distress of middle life "change"! You want relief from such suffering. And—chances are—you can get it. Thrilling relief! Thanks to two famous Lydia Pinkham medicines!

*In doctors' tests, Lydia Pinkham's Compound and Tablets brought relief from such distress in 63 and 80% (respectively) of the cases tested. Complete or striking relief!

Thousands Have Benefited Amazing, you say? Not to the many thousands of women who know from experience what these Lydia Pinkham medicines can do! Their action—actually—is very modern. They exert a scientifically calming, soothing effect!

Try Lydia Pinkham's on the basis of medical evidence! See if you, too, don't gain blessed relief from those terrible "hot

How Lydia Pinkham's works

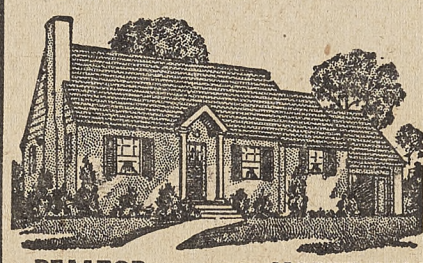

It acts through a woman's sympathetic nervous system to give relief from the "hot flashes" and other functionally-caused distresses of "change of life."

flashes" and weakness so common in "change of life."

Don't put it off! Get Lydia Pinkham's Vegetable Compound or new, improved Tablets with added iron (trial size only 59¢).

Wonderful — too — for the functional pains, cramps, "dragged-out" feelings and other discomfort of monthly menstrual periods!

CUB SCOUTS

Annual inspection of the Charter of Pack 31 was held at their last meeting, Friday, 24th. Several new Bobcats and presentation of awards rounded out the evening. New members were Donald Dye, Wayne Garrett, Ronald Dewing, Joseph Sayles, Stephen Woods, Ward Harrington. WOLF awards were given to John Paine, Leonard Tobey, Carl Chavez, John Hardesty. BEAR awards went to Tom Hamblin and Gary Lynn. Other awards are: Kenneth Ledbetter, 1 gold arrow; Billy Ledbetter, 1 gold arrow; Bruce Squires, 1 gold arrow; Clifford Newman, 1 gold and 2 silver arrows; Kenneth Meil, 1 gold arrow; John Paine, 1 gold arrow; Charles Chavez, 1 gold arrow; Tom Hamblin, 3 silver arrows; Gary Lynn, 1 gold, 1 silver arrow and 1 year pin; Bob Dewing, 1 gold, 2 silver arrows; Steven Depert, 1 silver arrow; Billy Durance, 2 silver arrows and 2 year pin; Billy Boatman, 1 year pin; Jimmy Czerwony, 1 year pin; Jeff Martinez, 1 year pin and Denner stripes; Byron Haggard, Denner stripes; Neil McClellan, asst. Denner stripe; Charles Danna transferred from Pack 30 of San Diego to Pack 31.

There was a party Friday evening at the Earl Brown home with guests Messrs. and Mmes. Dan Davis, George Fleming, Ken Dowell, Bob Brower and Chuck Brewer.

Ensign and Mrs. Dyke are paying an extended visit at the Earl Browns while Ensign Dyke is stationed at Miramar with the Navy.

Charming May baskets have been constructed by Brownie Troop 803 and will be hung on the door of any elderly and/or ill person known to the little Scouts. There are 24 girls in the Troop.

Three members of P. T. A. are attending the State convention of P. T. A. in Long Beach this

week. Mr. James K. Field, President elect and Mrs. Martin McCreary represent Fletcher Hills Elementary and Mrs. Jack Gould President of Grossmont, will represent that High School.

A fare-well party was given at the Jack Gould residence, 9656 Primrose Drive, for their son, Jack Jr. on Friday, April 17. He left on the 22nd for training with the Army, destination at present unknown. Guests included his wife Dee Gould, Jane Ann Randall and Bob Davey, Alice Robbins and Jack Boyd, Gail Clark and Dick Winterrowd, Nancy Crews and Hal Doerr, Jim Price, Marie Ballou and John Culbertson.

The fifth annual High School Conference was held at Camp Marston on Friday and Saturday, April 24 and 25 with approximately 130 students in attendance. Leadership problems at school were discussed. Leaders or potential leaders from Grossmont, two from Pt. Loma High and several from 8th grades in the District were invited. Martha Clapp was General Chairman, assisted by Paula Thomas, program chairman, Keith Echeverri, Services, Pre-planning, Janet Churchill, and Secretary, Betty Souza. Mrs. Jack Gould, President of Grossmont PTA, and who was invited to attend the conference said it was a very inspiring and well-discussed program.

The Sugar Cane Troop of Blue Birds holds a good record of 14 cases of peanuts sold during the recent campaign. Patricia Van Wulfen, sister of "Miss Cookie" Pamela Van Wulfen, sold 115 cans of peanuts.

Mrs. Goodwin, Secretary of F. H. Elementary School announces that registration of pre-school children of Kindergarten age, who must be 4 years and nine months old by next September, will be held May 4 to 15 inclusive. This applies to any child of that age in the district. Their

birth certificate must be shown. Something new was tried out at the School last Tuesday by way of education and fun. A Dental Quiz was held at the School, patterned after a radio quiz program, and was very successful.

Mr. C. T. McDaniel, 523 Garfield has returned home from the hospital where he underwent an appendectomy recently, and is recuperating very nicely. However, Mrs. McDaniel knows the truth in the phrase that one never knows their friends, till necessities arise. Her husband needed blood transfusions. She chanced to mention it to Mr. Ed Pascoe, President of the local Lions Club, and next day four brother Lions were on hand to donate blood for Mr. McDaniel. It is things such as that, one does not forget.

Mrs. McDaniel celebrated her birthday and her parents 31st wedding anniversary recently, the dates being close together. Mr. and Mrs. C. G. Gault are residents of La Mesa.

Also returned from Naval Hospital last week, is Mrs. Bradley Tidwell where she underwent surgery for a detached retina of her eye. She was in the hospital a month, and is now about the house, although swathed in bandages. Chief Tidwell was transferred from his ship, due to sail for Far Eastern waters, so that he could be with his family at this time. Mrs. Tidwell's mother, Mrs. Mary Gyolas celebrated her 71st birthday recently.

A surprise party and spaghetti dinner was held at the home of Mr. and Mrs. Donald A. Chamberlain, 278 E. Renette, El Cajon, for two couples who were blessed evening. This was one stork shower where husbands were included. Honoring Mmes. Cliff Meinsen and William Worsham, were the Kenny Flors and W. K. Walkers, and the honorees husbands. The Meinsens

Dinner Deluxe

Grilled Filet of Sole, tartar sauce	\$1.35
Grilled Mountain Trout	1.90
Fried deep sea Scallops, tartar sauce	1.65
Fried Jumbo Frog Legs	2.25
One-half Lobster, drawn butter	1.75
Jumbo Shrimp, special sauce	1.75
Lobster Thermador	1.95
Combination Sea Food plate	1.65
1/2 large chicken, 20 oz. - 24 oz.	2.50

Also specializes in 16 oz. steaks.

Included on all dinners: Relish, celery, olives, carrot sticks, radishes, green onions. Special green salad with our own Roquefort dressing. Fresh vegetables, rolls and butter, potato. Choice of ice cream, sherbert. Coffee, tea or milk.

HARBISON CANYON NEWS

By Jo Ann Cook

The P. T. A. meeting last Friday proved to be one of the most interesting of the entire year. Mrs. Cynthia Ketchum, director of education at the San Diego Zoo, gave the behind scenes picture of the animal life there.

It was also election night, and Mr. Doerr was chosen President for the coming year.

Next month the P. T. A. will be holding their annual Hobby Show. All parents and children alike are urged to bring an exhibit of whatever hobby they enjoy. The meeting will be held on the 21st of May and will include installation of officers.

Mr. and Mrs. William Bogan whose home burned last week wish to thank all the friends and neighbors who assisted them. Offerings of clothing and other necessities, as well as money were made and they were all deeply appreciated. They would like to extend a special thanks to the firemen, who tried so desperately and futilely to save their house, which burned to the ground with no opportunity to save anything.

The two most excited people in the Canyon lately are the Dickerman's. Seems some property owned in the east has come through with a nice little oil well. Congratulations!

The Fireman's dance held Saturday night was a success as usual. Door prizes were given to people holding the lucky tickets. The music was very much enjoyed, but an unusual aspect developed, when one of the musicians had to be rushed to the hospital with an attack of appendicitis.

The Community Club had their classes on Tuesday and Saturday evening.

Mr. and Mr. Lee House spent the week-end in Orange visiting his father who will leave shortly for the East. Mrs. House states that two more Monte Hall TV shows will attract Convair Riders some time in May.

monthly meeting the 25th. Refreshments were served and there was entertainment during the social part of the evening.

Mr. and Mrs. Jerry Klipp have received several visits lately from Corporal Eddie Baumgarten. He is from their home town in Wisconsin, and was temporarily stationed in the vicinity.

A Fellowship dinner will be held by the Community Church this Friday night. Everyone is cordially invited and the parents of the children who attend Sunday School especially. Each child is supposed to bring a dish of something and the ham will be furnished by the Church.

Mr. and Mrs. Joe Lea are happy to announce the birth of their first grandchild. Born last Thursday, to Mr. and Mrs. Joe (Bud) Lea Jr. in Los Angeles, the baby was a boy and weighed 9 lbs. 15 oz.

The card party given recently by the Community Club was successful, in that enough money was brought in to purchase the curtains for the Community Hall.

Mrs. Stone and Mrs. Marshall have both been ill with the flu, and they certainly have our sympathy!

Local Man Catches Six Yellowtails

Aspirants for qualifying berths in the Junior Chamber of Commerce's \$15,000 San Diego Yellowtail Derby bagged 1990 yellowtails at the Coronado Islands last week, more than matching the same period a year ago, but still were shooting at the 40 pound 3 ounce caught by Paul Darrough, of Ramona, and which topped the list at the end of the third week of competition.

Prize winners for the third week were: Paul Lawson, Los Angeles, 32-0; M. M. Holt, Palm City, 32-0; W. W. Jacobson, San Diego, 31-12; Charles Sisemore, Palm City, 31-7; Vince Cernuto, San Diego, 31-1; Ed Poull, National City, 28-12; F. Hockenberger, San Diego, 28-1; E. Houghton, Hawthorn, 28-1, and Valentino Sartori, Manhattan Beach, 28-1.

In addition to fabulous yellowtail fishing, the Islands also turned up some good big bonito, the largest of which was a 19 pound 9 ounce caught by Vince Schriek, of Santa Monica.

Top yellowtail fisherman from the El Cajon sector last week was Cliff Plumlee, who bagged six Saturday, but he was closely pressed by Benny Haskins.

El Cajon Athletic Club Defeats National City

The El Cajon Athletic Club played at National City April 26 with seven hits, three runs and three errors. The National City team made one hit, no runs and four errors with a score of 0 to 3 in favor of El Cajon.

Harry Ohlson pitched six innings with no hits; Don Gregory pitched the remaining 3 innings with one hit made. Duhne was the local catcher. R. J. Stevens favored the club with a homerun.

Moses pitched two innings and Betz pitched the remaining seven innings with Bergmon as catcher for National City.

The El Cajon Athletic Club is in need of a sponsor at this time.

NO ESCAPE

HARTFORD, Conn. — Picking Francis as the name for their new-born son was easy for Mr. and Mrs. Francis J. Jones. It's his father's and grandfather's name, both came on the feast day of St. Francis and he was born in St. Francis Hospital.

Hallmark Of A Free Market

Last year, according to the National Retail Dry Goods Association, department stores and specialty stores fared a little better profit-wise than in 1951. But it's a safe bet that profits were a great deal smaller than the public at large realizes.

A typical group of department stores showed a net profit after taxes of 2.3 per cent. A typical group of specialty stores showed a net of 2.4 per cent.

In other words, less than three cents out of each dollar the consumers spent in these stores stayed with the owners. All the rest of the money went right out — for merchandise, wages, taxes, advertising, rents, and so on down the list.

Mass-distribution is based on the idea that it is better for all concerned to sell a large volume of goods at a small profit than a small volume at a large profit. It is the hallmark of a free, competitive market.

Farming Is A Profession

A late March issue of the Pennsylvania Farmer carried a brief but significant article by Wellington D. Smith of the Pennsylvania Young Farmers Association. His theme was the almost incredible progress we have witnessed since the turn of the century. As he put it, "Fifty-two years ago the telephone and electricity were in the infant stage. No one believed in the horseless carriage or the gasoline engine. Old Dobbin and the wagon wheel were here to stay. The breech loader was then our secret weapon."

"Today I am surrounded with the necessary but apparently luxurious automobile, streamliner, super-sonic jet aircraft, atomic submarine, radio, television, deep freeze, electric kitchen, combine, hay baler, field chopper and diesel tractor. Even old Daisy (the family cow) is equipped with a jet pump. . . . During the years following World War II there have been fabulous investments made in agricultural enterprises. Such investments have served to cause a tremendous increase in agricultural production."

The result of this, Mr. Smith believes, is that farming is becoming a true and integral part of our vast industrial system. And here he made the telling observation that farming " . . . is no longer a proposition for the man with the hoe. It is a profession for the man with a knowledge of the science of the soils, the language of a cow, and the heart of a tractor."

Science and machines have gone a long way to transform the face of the land. And they are transforming the lives of the men and women who live on the land.

"Property Is The Fruit Of Labor"

Every left-winger is adept in catch phrases. One standard example is the cry that "human rights" must be superior to "property rights."

This appeal to the unthinking evades the fact that the right to own property is one of the most basic and important of human rights. That idea was powerfully expressed by Abraham Lincoln, as great a humanitarian as ever lived, in these words: "Property is the fruit of labor, property is desirable, it is a positive good in the world. That some should be rich shows that others may become rich, and hence is just encouragement to industry and enterprise. Let not him who is houseless pull down the house of another, but let him work diligently and build one for himself, thus by example assuring that his own shall be safe from violence when built."

IT NEVER FAILS

CAPITOL AND COUNTY News Letter

by RALPH R. CLOYED
ASSEMBLYMAN

Often times the people become very much perturbed at some of the companies under the supervision of the Public Utility Commission that operates on a franchise that creates almost a monopoly. I am speaking of the Telephone Companies in particular that some people look upon as something very inhuman and with no soul in comparison with a company that has competition and has to maintain good public relations.

For some time, and especially since the session started, I have had many conferences with the Pacific Telephone and Telegraph Company regarding a problem that San Ysidro has had of not being able to have extended service to San Diego and other South Bay cities, and I have been particularly well pleased with the fine cooperation that the Telephone Company has given me in helping to solve San Ysidro's problem, whereby they have given me a time certain of March 1954 instead of January of 1955—almost a year's advance over the previous schedule, that San Ysidro will have the benefit of extended service.

Legislation moved exceptionally slow this week, as the more controversial bills requiring long debate moved to the floor of the Assembly.

Legislation to change public housing laws.

Highways route measure.

Bill to prohibit imitation ice cream.

On the Senate side the adult education bill was passed. They also put an amendment into the main school financing bill, in effect this will give the legislature a double shot at curtailing classes in civilian defense, physical education, dancing and first aid.

If Senator Johnson's bill is defeated and Senator Dillworth's school financing bill is passed and retains the amendments, the adult program will still be curtailed. The bitter battle now shifts to the Assembly.

Almost an entire day was devoted to three bills changing the public housing law.

One bill would permit abandonment by the vote of the people of a project before construction starts. This measure was brought on by a political fight in Los Angeles.

Another bill would make it possible for the city or county

government to remove the housing commissioners from office at any time.

The last bill would require that a city or county be provided detailed information on the project before agreements are signed. Many amendments were defeated one by one. Attempts were made to limit the effects to Los Angeles and San Francisco.

Another would permit housing authority to participate in negotiating abandonment agreements. There were charges that the bill threw a roadblock in public housing; others charged that contractors and real estate brokers were backing the legislation.

For two days San Diego County had a man on first base in the form of a new highway — a 101 bypass between route 101 north of Del Mar via Sorrento Canyon across route 395 via Murphy Canyon and to the international border near Tijuana. I introduced an amendment to Assemblyman Lincoln's highway bill and was successful in securing committee approval and sent the bill to the Assembly floor only to lose the amendment on the floor of the Assembly on second reading file. So far I have only an E for effort, but the highway program has a long way to go and the 101 bypass is far from dead as Lincoln's bill without amendments will not be acceptable to the Senate.

A Senate bill to prohibit imitation ice cream for two years was defeated by a vote of 34 ayes with 41 votes needed for passage. The bill would ban imitation ice cream made with vegetable oils. Opponents charged that it is "selfish" legislation which would threaten free enterprise and that housewives prefer the imitation and that the difference can not be tasted between ice cream and the imitation; while supporters argued

that in comparing the food value and the digestible nutrients that ice cream would still be the cheapest.

Fair employment practices commission (FEPC) has been defeated in Assembly Committee after a three-hour debate. The bill was designed to prohibit racial discrimination in employment.

A new market news service for dairy and poultry news would be established in San Diego at a cost of \$15,070 per year with most of the funds from the Federal government if a bill by Senator Hoffman becomes law. The measure has the support of the Farm Bureau.

THE OBSERVER...

Almost rained again as usual, then gets cold. Hoping for some summer weather which we never seem to get in May. When we do get it we'll wish for this kind.

Great exodus May 2nd of fresh water fishermen for the haunts of the blue gill, croppie and bass, but the salt water guys can fish 365 days out of the year. Wonderful state we live in if you like fish. We'll take beef.

This fishing business, some fishermen claim, cuts down the cost of living which puts us in mind of the city guys who move out in the country so they can keep a cow, some chickens, raise all their garden sass, and all they'll have to buy is salt and sugar.

After they buy said cow two things dawn upon them. The cost of feed is equal to the milk she produces, the second is, they have something on hand that has to be milked twice a day, which ties 'em down no end.

On the chicken angle, the story is repeated so far as feed is concerned — to stay nothing of coxy, lice and stray dogs.

NIGHT DOG RACING
Wednesday thru Sunday

CALIENTE Race Track
First Post 7:45

The garden angle, there you really have something. Spring causes many a man to buy what he sees in a seed catalog. The dirt is nice and loose in Spring. Summer comes along, said dirt gets hard, needs water, costs money, weed flourish, blistered hands, backache, water bills, add up to \$200 worth of labor for \$1.29 worth of carrots "which in our opinion are no good unless you keep a horse," pithy radishes, too many string beans, and by the time tomatoes should ripen, the ground is hard as a banker's heart, the weeds are doing good, and the city guy gives up. Sells his cow, eats wolf's left of his chickens, then buys his eggs from Snuffy Smith, his milk from a milk wagon, and has plumb lost his appetite for vegetables.

Of course, there are exceptions in the garden line like Harry Hill. That boy can raise himself some swell tomatoes, and tulips. We don't think cows or chickens interest him though.

See that J. Edgar Hoover says crime is on the increase. Now does that surprise anyone, seeing as how we baby every criminal from his first offense on instead of hanging every murderer, dope peddler and sex pervers.

When we make this statement some sobby Nellie comes up with the answer that capital punishment never stopped crime. Mebbe not, but it sure stopped the bird that gets hung.

We also note that the traffic violator drives much more cautiously in Joe O'Connors territory than he does out in the County. Which is proof that a pink-haired tub on a motorcycle is a valuable addition to any Police Force. Looking over the ads in the Buyer's Herald, we note some more than hot buys, and suggest that if the boy friend is looking for a summer outfit, he'd do well by paying a visit to Marc's Clothiers.

Fact is that the paper is chuck full of good buys, read it, everybody gets one. It's a good guide for the person looking for the place where money goes the farthest.

We understand that a new firm is coming into El Cajon, the Lawson-Schiller Jewelry Co., who will occupy the quarters, when remodeled, now occupied by a barber shop. Also a jeweler coming in Lakeside who will occupy quarters, formerly used by an auto accessory store. Something that gripes us is the sadistic individual, who never misses a chance to cut others with a remark in a nasty nice way.

Junior League

Hardball Teams

Try-outs for the Junior League Hardball teams sponsored by Native Sons of Golden West for boys 11 to 14 will be held at the El Cajon Grade School ball diamond, Saturday, May 2 at 10 a. m.

Cancer will strike ONE in FIVE. Learn the danger signals.

Only One Out Of 20 Traffic Deaths Occur On Freeways

Only one out of every 20 traffic fatalities in Los Angeles occurs on freeways. The other 19 auto deaths, 10 of which are pedestrians, are the result of accidents on the city's surface streets, the Public Safety Department of the Automobile Club of Southern California said today.

The injury record is even better. Only 1 out of every 23 traffic injuries in the city happens on freeways.

The Auto Club based its report on the latest Los Angeles Police Department records.

In 1952, 17 persons died in freeway accidents. Total city traffic deaths during the period was 290. Only 615 of the 17,489 traffic injuries in the city occurred on freeways.

The most impressive record occurred on the city's busiest traffic artery—the Hollywood Freeway. During the year two persons were killed and 169 injured on this freeway. It carries as many as 120,000 cars during peak days.

Seven deaths and 187 injuries occurred on the Arroyo Seco, which can carry 100,000 cars a day. Engineers attribute the Hollywood Freeway to improved lower accident rate on the newer designing.

Last year the Cahuenga Freeway was the site of four auto deaths and 157 injuries. The Cahuenga can handle 106,000 cars a day.

On the Ramona Freeway, where the peak load is 38,000 cars, two persons were killed and 50 injured.

One fatality occurred on both the Santa Ana and Harbor Freeways during 1952. Forty-seven injuries took place on the Santa Ana, which is capable of carrying 35,000 cars per day.

On the Harbor Freeway, where there is only six tenths of a mile completed, there were 5 injuries. A traffic count has not been made on it as yet.

New Booklet On California Released

A 50-page booklet giving a general word picture of historical and scenic points of interest in California has been published by the Touring Bureau of the Automobile Club of Southern California. It was announced today.

The publication, a revision of a booklet printed in the 1920's, is for distribution to Auto Club members and visiting motorists. It has been sent to the club's 56 district offices.

The booklet lists all major highways in the state and briefly describes the routes they take through California. It touches here and there upon the historical background and scenic beauty along the way.

Cancer will strike ONE in FIVE. Learn the danger signals.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

American admen are reputed to be the world's greatest creators of cliches and slogans designed to sell a bill of goods.

Yet, London slogan makers do very well when the stakes are huge.

London has come up with a new dandy in "Trade-Not Aid".

It's a catchy slogan in the best Churchillian style, condensing this thought: "The United States should eliminate import tariffs so British goods can flood the American market, replacing U. S. business output and U. S. employment!"

In the November election returns, the British realized American voters registered a protest against the continuation of vast tax-wasting inflation-causing foreign give-away programs.

Therefore, British policy makers launched this slogan.

Among the first to sound the alarm in Washington was Sen. George W. Malone (Rep., Nev.)

"Workingmen and investors of this nation," he states, "have been alarmed and mystified by the flood of canned editorials, articles in national magazines and one economic world columnists mouthing with surprising similarity the trade, not aid catch phrase. 'It is now clear,' the Senator says, 'that the bombardment for the division of the markets of this nation with the low wage living standard labor of Europe and Asia is being directed by the sterling bloc countries led by England using Marshall Plan Funds.'"

British policy makers consistently refuse to recognize why the American market is by far the world's richest.

In Britain, and all Europe, widespread ownership of automobiles, television and radio sets, mechanical refrigerators, and other conveniences is unthinkable. Vast monopolies, or cartels, control the markets. In doing so, they make it impossible for mass ownership of goods, but at the same time they prevent any independent firms from entering any given industrial field and taking a share of the volume away from the cartel in control of that field, even though new employment and wealth would be created.

In Washington a substantial group takes this attitude. It was thought American dollars would help Britain and Europe to prosperity. Despite billions spent the job was a failure. Now Europe wants to flood the American market with cheap, foreign goods. That, too, would fail.

This group believes there is only one solution to the British and European problem. That is for them to adopt the very same American anti-trust laws that they, allied with U. S. internationalists, have been feverishly working to tear down.

Years ago General Douglas MacArthur said "America is a rich storehouse that any nation would like to plunder."

General MacArthur did not distinguish between friendly or enemy nations. Today, so-called friendly nations are engaged in a drive to plunder America, with the excuse their own survival depends upon it. Yet, they have never tried to adopt the free enterprise system that has made America worth plundering. Failing to do so, they are now in the position of saying "Let's all commit suicide together."

WOMEN

SOCIETY - CLUBS

Hartung-Bole Wedding Vows To Be Taken Sunday

One of the seasons loveliest weddings will be held next Sunday afternoon at 4:00 o'clock in the Lakeside Community Presbyterian Church, when Mr. Elden Lee Hartung, son of Mr. and Mrs. Walter Hartung, and Miss Betty Ann Bole, daughter of Mr. and Mrs. Irvin G. Bole, will be united in marriage with 250 guests expected to be present at the ceremony.

Standing before a huge heart fashioned of ivy, maidenhair fern and white carnations, with two baskets of white gladioli, larkspur and daisies banking the altar, tapers in candelabra will give a soft glow to the impressive rites to be read by Reverend Theodor E. Roberts, Jr. Soloists are to be Mrs. Wilson White and Mr. Richard Carlson, accompanied on the organ by Mrs. Forace Boyd who will also play the wedding march.

The bride will be given in marriage by her father, and will be gowned in French lace over satin accented by nylon tulle. Tiny pearls trim the scalloped neck line. The bride's gown was designed and made by her mother. Her finger tip veil of tulle edged in lace will be held together by a crown of seed pearls. She will carry a double heart shaped bouquet of white carnations, centered with a white orchid.

Miss Joyce Langlois will serve as maid of honor and will wear a ballerina length gown of ice blue satin with full skirt of white net. She will carry a heart bouquet of blue carnations trimmed with yellow ribbons and

will wear carnations in her hair. The gowns of the bridesmaids, Misses Mary Carlile, Marcia Spencer and Mary Dunham, will be of yellow satin with white net skirts. Their heart shaped bouquets with flowers in their hair will consist of yellow carnations tied with blue streamers.

The aisle will be outlined with carnations and a heart on each pew, tied with white satin bows and streamers with white runner covering the aisles.

Jim McClain will perform the duties as best man and ushers will be Doug Dillon, Frank Young and John Digenan.

Mrs. Irvin Bole will receive in aqua lace with pale pink accessories. Mrs. Walter Hartung will be dressed in navy blue with navy and white accessories.

Immediately following the ceremony a reception will be held at the home of Mr. and Mrs. Robert E. Staite, Cajon Road, Lakeside. Mrs. Clayton Treadwell, aunt of the bride, will cut and serve the wedding cake. The bride's attendants will assist at the punch bowl. Mrs. Robert Staite and Mrs. James Kidwell helped to plan the refreshments and decorations.

The guest book will be in charge of Mrs. Jim McClain.

For her going away outfit the bride will wear a grey and silver two piece suit with burgundy accessories. The newlyweds are planning a week's honeymoon at Lake Arrowhead. They will reside in Lakeside.

Both Betty and Fritz are graduates of Grossmont High School. He is in the C. B. Reserves.

Today Last Day for Reg. Cards to Be Turned in Little League Baseball

Boys who have taken registration cards home to be filled out should turn them in by today (Thursday, April 30).

Al Johnson is to be commended for the splendid job he has done with his heavy equipment in leveling and grading the ball diamond. Bob Jordan is in charge of keeping the field in top shape and has done a fine job. Thanks fellows.

Little League Decals are now on sale at Barker's, Cecil's, Sutton's and Huffman's and can be purchased at \$1.00 or more donation with proceeds being used to help defray Little League expenses. Get yours today.

Umbrellas Won at Barker's Store

At the Spring Showers of value sale held in Barker's Store last week, five local residents were the lucky winners of colorful umbrellas given away. They are: Mrs. King Macgillivray, B. T. Johnson, Mrs. Viola Perkins, Wesley M. Bachman.

Fannie Henry Returns from N. Y.

After five weeks of sightseeing in New York where she visited with her daughter Mrs. Dorothy Everly, and son-in-law, Fannie Henry is home again. She went by plane both ways and thoroughly enjoyed the flights. Many inches of rain fell while Mrs. Henry was in New York, so much of her time was spent in the library of the Everly's reading and relaxing. Her many friends and her family are glad to welcome her home again.

Trap Shoots Every Sunday

Trap shooting for anyone interested in practice shooting on the new electric trap will be opened this Sunday, May 3 from 10:00 a. m. to 2:00 p. m. The new trap is the latest type available on the market which should make practicing enjoyable to many. The V. F. W. of the Carter-Smith Post No. 5867 will be in charge of the shoots.

Annual Old Time Dance Fiesta May 3

The Seventh Annual Old Time Dance Fiesta will be held Sunday, May 3rd, at El Monte Park, Lakeside. Originated in 1946 by Wanona F. Ebner, of San Diego, the event has attracted an increasing number of old time dance enthusiasts each year.

Old time dance musicians from various parts of San Diego City and County, as in previous years, are donating their services for the enjoyment of the public. All old-time dance musicians are invited to participate in the informal "jam session." The program will start at one o'clock and will include many of the favorite old-time dances—square dancing, waltz varsovienne, trilby, schottische, polka, minuet, waltz quadrilled, valeta, three step, etc. as well as fox trots and waltzes. Early comers will be entertained by recorded music.

Arrangements for the event are under the direction of Mr. and Mrs. Elmer E. Wiesendanger, of San Diego.

Those attending are to furnish their own picnic lunch and table service. Free coffee will be served.

Approximately 2,000 persons attended the Fiesta last year and it is anticipated the turn out this year will be even greater.

Attend Jr's. Convention

Attending the Southern District's Annual Spring Convention for Junior Women's Clubs held at Hotel Del Coronado last Friday, April 24th were Mesdames Mary Biggs, Bobbie Spolt and Wilma Spurr. Mrs. Spolt, president of the Lakeside Juniors was presented with a certificate re-instituting them into the Federation of Women's Clubs. The Juniors had withdrawn from the Federation sometime back, and are now happy to be part of the Southern District once again.

VFW-Auxiliary to Meet

The next regular meeting of the V. F. W. Carter Smith Post No. 5867 and Auxiliary will be held in the Memorial Building on Wednesday, May 6th at 8 p. m.

GUHS Students Attend Leadership Conference At Camp Marston

One hundred fifty students and faculty members from Grossmont High School trekked to Camp Marston for the 4th annual Leadership Conference Friday and Saturday, April 24 and 25.

The conference was held to train the newly-elected Associated Student Body officers and to set tentative plans for the '53-'54 school year.

Featured speaker of the convocation was Dr. Richard Housman, of San Diego State College.

Committee chairmen in charge of the conference include Martha Clapp, Janet Churchill, Delphi Alvig, Patty Carone, Don Prentice, Bette Souza, Paula Dee Thomas, Martha McDonald, Don Shields, Barbara Hood, Keith Echeverri, Tina Alessio, Ted Gimble, and Phill Butler.

Woman's Club Flower Show

The Woman's Club of Lakeside Annual Flower Show is being held today Thursday, April 30, in the Memorial Bldg. between the hours of 11 a. m. to 8 p. m. in the evening. Mrs. George Miller is Flower Chairman. Many valuable door prizes

The Christian Science transcribed program series, "The Healing Ministry of Christian Science," is being broadcast over Station KSDO (1510 KC) every Sunday at 7 p. m. This is in addition to the program being released over Station KFI, Los Angeles every Sunday morning at 9:15.

donated by local merchants will be given away at 3 - 5 and 8 p. m. Ribbons will be awarded entries and prizes to first place winners.

Coffee and sandwiches will be available, and candy will be sold. A "Little Money" table with knick-knacks at bargain prices will be offered.

All entries should be in by 11 o'clock and should be in clear glass containers. Judging will begin at noon.

At the Club meeting held last Thursday plans for future events were made. Among them were the May Breakfast which will be held in the Kiwanis Hall at 11:00 a. m. Mrs. Muse will serve chicken pie at \$1.25 per plate.

A Rummage Sale is being planned for the latter part of May. Details will be announced later.

As a new project for the club a Linen Basket will be assembled and given away next fall.

Plans to change the clubs meetings to one meeting in the month were discussed and will be voted on at the next meeting. Plans are to have the business meeting at 1:00 p. m. with the program to follow at 2:00 p. m. and the meeting date shall be the fourth Thursday of each month.

A Penicillin film was shown by Jim Eakes and was loaned by Mr. John Rocchio. Numerous cartoons were also enjoyed. Mrs. Elmer Macy acted as hostess.

Report from Presbytery To Be Heard

The Women's Fellowship will meet the first Tuesday in the month (May 6th) heretofore. Members of the executive board will meet as usual in the primary building at 12 o'clock, of the same day. Refreshments will be served at 1 p. m. in the Social Hall by the Alice Gibson Circle, after which the regular meeting will be held. A report from the Los Angeles Presbyterial meeting, held Monday, May 4th, will be forth coming at this time. Attending this meeting are Mesdames DeShazo, Conant, Wilson Sly and Mrs. Roberts, Sr.

Off For Alaska Again

Jack Klippel, his son Tom and a brother Charlie left for Seward and Mt. View, Alaska recently where they will seek employment. Mr. Klippel and his son took a welding course and hope to gain employment along these lines. Mrs. Klippel plans to join them as soon as school is out.

Grossmont PTA Meeting May 14

Mrs. Daniel J. Dailey, State Homemaking and Character Chairman, will be the speaker at the May P. T. A. meeting. Her talk will be on "Social and Psychological Development of the Family." Mrs. Dailey is an outstanding speaker and all parents are invited and urged to attend this meeting. It will be held in the Grossmont Cafeteria, May 14th at 7:30 p. m. As this is the last meeting for this school year, please make an effort to come to the meeting and hear Mrs. Dailey.

VFW Auxiliary News

Twelve members of the V. F. W. Auxiliary met in the home of Mrs. Bob Conley last Friday evening, April 24, with Mrs. Martha Atkinson as co-hostess.

Final scores were tabulated and after several months the person with the highest was the winner of a beautiful television lamp made and donated by Mrs. Ruth Brown, a specialist in this type of art. Mrs. Evelyn Cooper was the proud winner.

Refreshments of jello with fancy sandwiches cut in shapes of card were served to Mesdames Maimie Clevenger, Ruth Brown, Charlotte Barker, Evelyn Cooper, Clarabelle Cray, Irene Ebling, Ruth Jansen, Adrienne Kephart, Eva Murray and Dorothy Scidmore.

Everlasting Punishment Defined

Can the ability to understand man as inseparable from his heavenly Father be gained and a mis-spent life corrected? Yes, declares the Sunday Lesson-Sermon on "Everlasting Punishment" in all Christian Science churches.

The Golden Text from Hebrews (12:11) reads, "No chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them

which are exercised thereby."

In a parable recorded by Luke (15:13,14,17,20-24) Jesus describes the prodigal son, who "took his journey into a far country, and there wasted his substance with riotous living" and "began to be in want." And when he came to himself, "... he arose, and came to his father..." And the son said unto him, Father, I have sinned against heaven, and in thy sight, ... But the father said to his servants, Bring forth the best robe, and put it on him; ... and let us eat, and be merry: For this my son was dead, and is alive again; he was lost, and is found."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "The sharp experiences of belief in the supposititious life in matter, as well as our disappointments and ceaseless woes, turn us like tired children to the arms of divine Love. Then we begin to learn Life in divine Science" (p. 322).

Change Meeting Night

ATTENTION: Navy Ladies. The regular business meeting of the Navy Ladies Social Club has been changed from the 2nd Friday to the 1st Friday of each month. They will meet Friday, May 1st in the War Memorial Bldg., Lakeside. Mrs. Betty Ritter will preside. Refreshments will be served following the meeting as usual. Sharing them will be members of Branch No. 139 of the Fleet Reserve Association who have also changed their meeting night to the 1st Friday evening.

Repaint Interior Of Home

Mr. and Mrs. Bob Watkins were surprised when a group of their friends came to their home recently and gave them what they called a "paint-warming." The Watkins have just finished repainting the interior of their home on Julian Ave. Knick-knacks of all kinds were presented to Bob and Marge to dress up the living room and kitchen. Present were: Messrs. and Mesdames: Ronald Melville, Bob Conley, Bob Sangster, Stan Goodman, Earl Barker and Farla Hunt. Several couples who were invited could not attend but sent gifts.

Spent Vacation Up Las Vegas Way

Mr. and Mrs. John Rocchio spent part of last week vacationing up north and around Las Vegas. John claims he slept most of the time trying to get some much needed rest.

Please Take Action

The Lakeside P. T. A. members are urged to note the advance of meeting time for the Executive Board Meeting on Monday, May 4th to 7:00 p. m. This change is being made because of the special meeting of the School Trustees scheduled for the same evening to consider whether or not to retain the present 39c tax levy. We hope to streamline our business into a half hour session, even tho we will be anxious to hear reports from Mrs. Ted Sherman and Mrs. Lyle Isom, our delegates to State P. T. A. convention, who will have spent four days in Long Beach absorbing new ideas and materials to make Your P. T. A. bigger and better for next year. Those attending the convention on Wednesday included: Mesdames R. E. Anderson, J. Jarvis, R. Johnson, D. Kennedy, A. Houston, W. Young, J. Maloney, G. Wessels.

There will be a meeting re: Cub Scouts on Friday, May 1st at 7:30 p. m. Lindo Park School.

You all are shure enough invited to get your tickets early for the Annual Springtime Dinner Dance sponsored by the Lakeside P. T. A. (In reply to the editors query: We planted mint just last week and have been helping it grow fast so that it will be ready for May 23rd.)

Well Baby Clinic will be held in the Scout Hut on the second

FRONTIER HOOFBEATS...

By Mariam Conroy

HAPPEN'S O' FRONTIERSMEN

Jest gona remind ya to come n' get it," that is, some of them that good bargains at the Rummage Sale on Friday n' Saturday, May 1 and 2, next to the Chuck Store (Feed) on Main St. There are things galore, some of now n' some of yore!

Now don't ya 'forgit to be on hand Sat. nite at Cactus Park Ring, 7 o'clock fur paradn sez the Boss Robbins, ya know we are gon to make our Usual good' show'n at Convair Show come Sunday at 12 o'clock at Aztec Ring.

Say Podner, have you been round the bend (of Laurel St.) of late n' seen how that Frontier Village is a grown'n? You'll soon hear again that sweet ring of Frontier hammers an fore you know'd it therer will be a meet'n house to welcome strangers to our Frontier. The unwritten law of Western Hospitality — anyone is Always Welcome — drop in when there's goins on n' say Howdy—won't you.

I heard that ole virus is a buzzin round agin — got our secretary Margaret Bullit-down, yes, an our drill coach, Val Robbins too — sure hope they have hit the trail by now an you will be feelin tops very soon.

With all this work thars been to do here, there n' yon on the Frontier us riders 'havn't had much time for play this week but wait — watch this column. However, a party did steal away after a hard work out Sunday at the ring for a beautiful trail ride over the hills 'n down the Valleys — Marion and her mount Terry were initiated into go'n straight up! an what a view from the top when the climb was over — anyhow they're want'n to do it agin n' agin.

JUNIOR RIDERS NEWCAST

There will be a drill practice on Saturday at 2 p. m. at Ring and all members who wish to ride with the Club at Convair Show on Sunday — please be there to get the line up etc.

The regular meeting will be Friday, May 1 at Frontier Ring with Judy Heiss as hostess for a Roast at the Campfire following business meet'n.

So long Podners, come on n' follow us fur a life in the open. Se see'n ya.

Wot Goes On...

By Millie

Those of you who read this line of chatter in last week's issue, must have thought I was crazy or something, but this time I can blame it on to the back shop where they got things pretty well mixed up. So hope you will understand.

No doubt we'll see a good many of you at the Flower Show today being given by the Woman's Club. Sure hope you entered some of your special posies and that you will bring home a ribbon or two. Hear tell they are giving away a lot of swell prizes which have been donated by a good many of our local merchants, and right here I'd like to add a few more names who contributed, but were too late for last week's paper. They are Cecil's Sporting Goods, Erman Kouns Shell Station, Long's Texaco Station, Hank Cramer's Garage (you might win a overhaul job who knows) and Argraves Fix-It Shop. So you beter plan to be on hand when they give out the prizes. This recent wind and rain we had didnt help the flowers much as they were blown around quite a lot and became roughed up a bit, but I'm sure there will still be quantities of nice bloom to gaze upon. Flossie Beadle will have her hobbies on display and I can't think of any one who spends more time arranging them. See you there girls and the men are invited too.

We are glad to hear that the Juniors have been re-instated into the Federation of Women's

Clubs and know they will be very proud to be members once again.

The Green Thumber's are meeting regularly each month and learning many facts about plants and proper gardening. If any of you newcomers are interested in joining this popular garden club just call H4-6381 for information.

Another of our popular young couples will take the important step next Sunday and we know that Betty and Fritz will be very happy. We're glad they have decided to stay in Lakeside to live so we won't lose them from our midst. Both Betty and Fritz are well known about town and highly thought of by everyone who knows them. Congratulations both of you, and our best wishes for your every happiness in years to come.

Nice to know Helen Shellum is coming along so well following her operation and we know she appreciates the many cards and good wishes sent to her during her stay in the hospital. We too join the many and wish you a complete recovery Helen.

It sure seems good to see Fannie Henry back in town and I honestly believe she is mighty glad to be back following her trip to the big city of New York. To hear her tell of the huge buildings, the masses of people, I don't think I would want to live in a place like that ever. Coming from Chicago thirty years ago I know what it means to live in a crowded city, but I'll take California and especially Lakeside where a person can relax and breath good clean air and be among our many fine friends. Welcome back Fannie — we all missed you more than you realize, and I just know friend hubby and son Pat are glad to be getting some good home cooking for a change.

We join with the many who are happy for the Weinstraub family in El Cajon whose prisoner of war son is now on his way home. I doubt if any of us realize what families whose loved ones are taken prisoner go through, but we can thank God for sparing some of them and returning them to us. Maimie Clevenger too is anxiously awaiting word of her brother who was captured, and we too pray that he will be one of the fortunate to come back.

New Arrivals...

A son, born to Mr. and Mrs. Melvin Tharaldson of La Mesa, April 17.

A son, born to Mr. and Mrs. Joseph Blackwood of La Mesa, April 20.

A daughter, born to Mr. and Mrs. Goldie Smith of Lakeside, April 22.

A daughter, born to Mr. and Mrs. Daniel Ruiz of El Cajon, April 24.

Rebecca Ann is the name selected for the daughter born to Mr. and Mrs. Howard Philbrook of Lakeside, April 24. She has a brother Kenneth, who will be 2 in July.

A son, born to Mr. and Mrs. Wayne Stieber of La Mesa, April 25.

A son, born to Mr. and Mrs. Loren Thompson of El Cajon, April 25.

A daughter, born to Mr. and Mrs. Chester Lewis of El Cajon, April 25.

A bird's two eyes often weigh more than its brain. The ostrich's eyes often weigh more than twice the weight of its brain.

Cancer will strike ONE in FIVE. Learn the danger signals.

OFFERS

TWO BEDROOM STUCCO G. I. RESALE

We are proud, indeed, in offer-
ing you this home. It has two
twin-sized bedrooms, large liv-
ing room with a separate din-
ing room. The larger than
usual kitchen will delight the
little lady. Venetian blinds in-
cluded in all rooms. The floors
are beautiful clear oak. The
lot is 60x125, fenced and land-
scaped. Concrete drive to
oversize garage. This home is
but four blocks to Magnolia
and Main Street. It is yours for
only \$10,750, \$2,000 down, bal-
ance at \$72 a month includes
taxes and interest at only 4%.
Truly a wonderful buy.

THREE BEDROOM STUCCO G. I. RESALE

This charming view home,
nestled high atop a knoll, offer-
ing the valley, is among
homes worth up to \$30,000. The
large studio living room, with
its exposed beams, has large
picture windows and attractive
corner fireplace. The three bed-
rooms are spacious and the
bath is completely tiled. The
lot is beautifully landscaped,
sprinklered and fenced. Should
the safety of your children be
your problem, here is a haven
for them. This select home can
be yours for \$16,900 and with
only \$3,000 down.

THREE BEDROOM STUCCO G. I. RESALE

Should you be looking for
quality material, workman-
ship, room layout and general
livability, this one year old
home with attached garage
can well be yours. It is situ-
ated on a 70x145 corner lot
in a good residential dis-
trict, on a paved street, has
curbs and is but two blocks to
parochial and public school.
The three bedrooms are twin-
sized, the living room is roomy
and the 9x18 kitchen is filled
with cabinets. All doors and
windows are wood trimmed
and the floors are narrow
gauge oak. The owners have
been transferred, and must
sell at once. It can be yours
for \$12,500 with only \$2,500
down, balance at \$67 a month
includes taxes and interest at
only 4%.

ROAD SURVEY NO. 1375
RESOLUTION OF INTENTION
TO DEDICATE TO THE COUN-
TY OF SAN DIEGO AN EASE-
MENT OF RIGHT OF WAY
OVER AND ACROSS REAL
PROPERTY BELONGING TO
THE CAJON VALLEY UNION
SCHOOL DISTRICT.

On motion of Member Ceder-
wall seconded by Member Burton
the following resolution is adopted:

WHEREAS, The County of San
Diego, State of California, is de-
sirous of widening and extend-
ing the unnamed street adjoin-
ing the north line of Kenilworth
Farms, Map No. 1727, in the vi-
cinity of El Cajon, over certain
property belonging to this Dis-
trict; and

WHEREAS, in order to accom-
plish the widening and exten-
sion of said street, the County of
San Diego has requested this
Board to dedicate to said County
for public street and highway
purposes, an easement of right
of way across certain real prop-
erty belonging to this District and
hereinafter described; and

WHEREAS, in the judgment of
this Board, it is necessary and
expedient that said request be
granted, NOW, THEREFORE,

BE IT RESOLVED by the Gov-
erning Board of the Cajon Val-
ley Union School District of San
Diego County, California, that
this Board hereby declares its in-
tention to dedicate to the County
of San Diego an easement of
right of way for public street
and highway purposes over and
across all that real property sit-
uated in the County of San Di-
ego, State of California, belong-
ing to said District and more
particularly described as follows:

That portion of Lot "J" of the
partition of Rancho El Cajon, ac-
cording to the partition map
thereof in Superior Court Case
No. 262 on file in the office of
the County clerk of San Diego
County, described as follows:
Commencing at the point of
intersection of the east line of
the west 33 feet of said Lot "J"
with the north line of the south
40 feet of said lot; thence along
said north line N. 88 degrees 57
minutes E. 40.02 feet to the TRUE
POINT OF BEGINNING, said
point being the beginning of a
tangent curve concave northeast-
erly the center of which bears N.
1 degree 03 minutes W. 40 feet
from said point; thence north-
westerly along said curve
through a central angle of 90 de-
grees 02 minutes a distance of
62.86 feet to its point of tangency
with said east line of the west
33 feet of Lot "J"; thence along
said east line N. 1 degrees 01
minutes W. 20 feet to the point
of beginning of a tangent curve
concave northeasterly the center
of which bears N. 88 degrees 59
minutes E. 40 feet from said
point; thence southeasterly along
said curve through a central
angle of 90 degrees 02 minutes
a distance of 62.86 feet to its
point of tangency with a line

that is parallel with and distant
60 feet at right angles northerly
from the south line of said Lot
"J"; thence along said parallel
line N. 88 degrees 57 minutes E.
945.4 feet to a point on the
northerly prolongation of the
east line of Roanoke Road as
shown on Map No. 1727 of Kenil-
worth Farms filed in the Office
of the Recorder of San Diego
County; thence along said pro-
longation S. 0 degrees 59 min-
utes 30 seconds E. 60 feet to said
south line of Lot "J", being also
the north line of said Kenil-
worth Farms; thence along said
common line S. 88 degrees 57
minutes W. 40 feet to the west
line of said Roanoke Road; thence
along the northerly pro-
longation of said west line N.
0 degrees 59 minutes 30 seconds
W. 1.0 feet; thence parallel with
said line common to Lot "J",
Rancho El Cajon, and Kenil-
worth Farms S. 88 degrees 57
minutes W. 688.0 feet to a point
on the east line of the west 290.4
feet of said Lot "J"; thence along
said east line N. 1 degrees 01
minutes W. 39.0 feet; thence par-
allel with said line common to
Lot "J" and Kenilworth Farms
S. 88 degrees 57 minutes W.
217.38 feet to the TRUE POINT
OF BEGINNING.

All according to plat on file in
the Office of the Surveyor of San
Diego County, entitled "Road
Survey No. 1375."

BE IT FURTHER RESOLVED
that a public meeting be held by
this Board at its regular place of
meeting, 303 Roanoke Road, El
Cajon, San Diego County, Cali-
fornia on May 13, 1953, at 7:30
p. m., at which time and place
all persons interested may ap-
pear and show cause, if any they
have, why said dedication should
not be made.

BE IT FURTHER RESOLVED
that notice of the adoption of
this resolution and of the time
and place of holding said meet-
ing shall be given by posting
copies of said resolution signed
by the members of this Board,
or by a 2/3 majority thereof, in
three (3) public places in said
District, not less than ten (10)
days before the date of said
meeting and by publishing this
resolution once not less than
five (5) days before the date of
said meeting in the El Cajon
Record a newspaper of general
circulation published in said
County and having a general
circulation in said District.

PASSED AND ADOPTED by
the Governing Board of the Ca-
jon Valley Union School District
of San Diego County, California,
this 22nd day of April, 1953.

Members of the Govern-
ing Board of the Cajon
Valley Union School Dis-
trict.

STATE OF CALIFORNIA)
COUNTY OF SAN DIEGO)ss.
I Hazel I. Sperry, Clerk of the

Governing Board of the Cajon
Valley Union School District of
San Diego County, California, do
hereby certify that the foregoing
is a true copy of a resolution
duly adopted by the said Gov-
erning Board at a special meet-
ing thereof held at its regular
meeting place on April 22, 1953,
which resolution is on file and of
record in the Office of said
Board.

/s/ Hazel I. Sperry,
Clerk of the Governing
Board of Cajon Valley
Union School District.
Published April 30, 1953.

LEGAL NOTICE
NOTICE OF INTENTION TO VA-
CATE AND ABANDON A POR-
TION OF AN EASEMENT IN
SAN VICENTE VALLEY
FARMS, MAP NO. 2462.

PUBLIC NOTICE IS HEREBY
GIVEN that the Board of Super-
visors of the County of San Di-
ego, State of California, adopted
a resolution on April 21, 1953,
declaring its intention to vacate
and abandon a portion of an
easement in San Vicente Valley
Farms, more particularly de-
scribed as follows:

All of the 60-foot "Easement
for Future Road" running
Northerly and Southerly
through Lots 1, 2, and 3 in
Block 1 of San Vicente Val-
ley Farms, according to Map
thereof No. 2462, on file in
the Office of the Recorder of
San Diego County, that lies
Northerly of the Southerly
line of said Lot 3 in Block 1
of said Subdivision.

The Board has fixed Tuesday,
May 19, 1953, at 10:45 a. m. of
said day, and the chamber of
said Board, Room 310 San Diego
City and County Administration
Building, Civic Center, San Diego,
California, as the time and place
for hearing on said resolution of
intention to vacate and abandon
a portion of said County high-
way.

YOU ARE HEREBY NOTIFIED
to appear at the time and place
fixed for said hearing and show
cause, if any you have, why a
portion of said County highway
should not be vacated and aban-
doned.

VIEW - POINT

By
Robert G. Kaplan, Ph.D.
Clinical Psychologist

The human mind is a remark-
able thing; it can be subjected
the most adverse conditions and
yet somehow it can withstand
these pressures and remain in
reasonable balance. When this
delicate machine goes out of
balance then we have anxieties.

If these anxieties become in-
tense or if they endure over long
periods of time then all of our

contacts with the world become
disturbed. We can neither play,
work, nor love with any satisfac-
tion. Our bodies do not respond
properly. We are more apt to
have headaches, stomach aches,
become constipated. Our head-
aches may be our bodies way
of saying that the world around
us gives us a "headache."

Our bodies respond quickly
and dramatically to our feel-
ings. Everyone can recall a
tightening up feeling in the
stomach, or profuse sweating
when we were in uncomfortable
situations.

A deep seated emotional up-
set which consistently stimulates
the bodily organs in unfavorable
ways can bring actual damage
to the organ. Gastric ulcers are

actual holes in the lining of the
stomach which are often thought
to be the result of chronic ten-
sion or anxiety.

Most physicians realize that
many of our illnesses have
psychological as well as physi-
cal causes. Many times the psy-
chological factor start the organs
to function in such a way that
the organ damages itself.

Although most physicians
know this, some will not tell
the patients. Many persons will
get angry if their physicians
says that their ills are psycho-
logical in origin. They believe
the doctor is implying that their
ills are imaginary "all in their
head" that their pains are not
real. Nothing could be further
from the truth!

Your doctor knows that psy-
chologically caused pains are
just as real and hurt just as
much as those caused by phys-
ical damage to organs. He is
merely indicating that when he
says that an ill is psychosomatic,
that something in emotional life
needs investigation, that certain
anxieties must be resolved. He
may suggest a specialist; heed
his advice, it is sound.

Many people shop around for
years getting various diagnoses
and treatment from doctors, they
still have their symptoms and
are afforded no relief.

If you have travelled from
doctor to doctor with no satisfac-
tion or relief, have a condition
which apparently baffles medi-
cal science, chances are in favor
of your condition being of psy-
chosomatic nature. See a com-
petent psychologist or psychia-
trist and stick with him.

QUESTION — Dr. Kaplan is
there a good book you could re-
commend which explains the
process of psychological treatment.
I am considering getting help
with some of my problems.

ANSWER — May I suggest
"Fight Against Fears" by Lucy
Freeman now available in a pa-
per bound edition. I believe it
will be helpful if you dwell
more on the treatment process
than the symptoms of the author

of the book.
Dr. Kaplan will write on any
question or problem relating to
child behavior or family rela-
tionships. Write to him in care of
this paper. If the inquiry is of a
personal nature enclose stamped
self addressed envelope.

Trout Season Opens May 2

More than 200,000 catchable
sized trout have been planted in
Southern California waters for
the opening of the season May
2, the Outing Bureau of the Au-
tomobile Club of Southern Cali-
fornia said today.

The Department of Fish and
Game has been planting fish
since the close of last season.

Anglers are advised that sus-
tained fishing is difficult to pro-
vide because waters are small in
size compared to the number of
anglers utilizing them.

Low waters may be expected
in streams and lakes for the
opening, which is one hour be-
fore sunrise.

The season will not open un-
til May 30, in 11 northern coun-
ties — Tuolumne, Alpine, Cala-
veras, Amador, El Dorado, Placer,
Nevada, Sierra, Plumas, Lassen
and Del Norte.

Bag limits of 15 trout, salmon,
or combination, and other gen-
eral regulations of last year re-
main in effect. In the Colorado
River area, where there is no
closed season for trout, the bag
limit is 10 fish.

FIRE WARNING
BOSTON — Thirty-four persons
will burn to death and 1,000
homes will suffer fire damage
each day during 1953 in the
United States, according to Percy
Bugbee, manager of the Nation-
al Fire Protection Association.
Each day 475 fires will be start-
ed by careless smokers and 55
by children playing with match-
es, he estimated.

IT'S DEPENDABLE

JUST ONE OF 9 REASONS TO CHANGE TO A NEW ELECTRIC RANGE!

A new electric range makes any cook a good
cook — and a good cook, a better cook — because
it's so dependable.

You press the button — it delivers just the heat
selected — every time — with no variation and
no guess work.

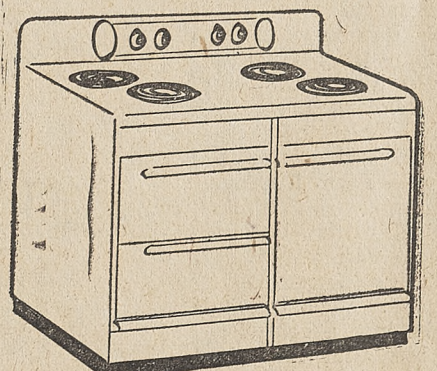

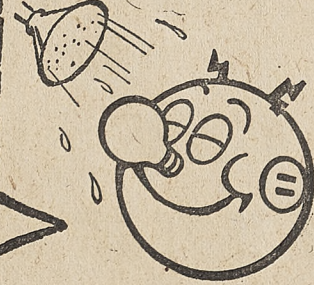

And dependability is just one of nine good
reasons so many people have made the change
to a new electric range.

It's the clean, cool, speedy way to cook. It's
modern. It's automatic.

It makes foods taste better and it delivers to you
more healthful vitamins and minerals — because
you cook with less water — and that saves you
money because less food is wasted in the cooking.

For kitchen living 9 ways better — now change
to an electric range. Your dealer has many
makes, many models — all on easy terms.

Reddy Kilowatt, your elec-
trical servant, says, "You get
showers of hot water quickly,
easily, safely, when you have
an electric water heater."

Pains, distress of "those days" stopped or amazingly relieved

in 3 out of 4 cases
in doctors' tests!

• Here's wonderful news for
women and girls who — each
month — suffer the tortures of
"bad days" of functionally-
caused menstrual cramps and
pain — headaches, backaches,
and those "no-good," dragged-
out feelings.

It's news about a medicine
famous for relieving such suf-
fering!

Here is the exciting news.
Lydia E. Pinkham's Vegetable
Compound — gave complete or
striking relief of such distress
in an average of 3 out of 4 of
the cases in doctors' tests!

Scientifically Modern Action

Yes! Lydia Pinkham's has
been proved to be scientifically
modern in action!

This news will not surprise
the thousands of women and
girls who take Lydia Pinkham's
regularly and know the relief it
can bring.

And it should encourage you
(if you're not taking Lydia
Pinkham's) to see if your ex-
perience doesn't match theirs
... to see if you, too, don't avoid

How Lydia Pinkham's works
It has a "calming" and soothing
effect on the uterus ... quieting
the contractions (see the chart)
that so often cause menstrual
pain, cramps, other distress.

the nervousness and tension,
weakness, irritability — and
pain — so often associated with
"those days!"

Remember Lydia Pinkham's,
too — if you're suffering the
"hot flashes" and other func-
tionally-caused distress of
"change of life."

Get Lydia Pinkham's Com-
pound or new, improved Tab-
lets with added iron (trial size
only 58¢). Start taking Lydia
Pinkham's today!

"NO TIME FOR FLOWERS"

Dunham Letter

(Continued from Page 1)

eager to subscribe to anything that you care to promote. If you will check you will find that most of the items of the agenda are adopted upon the motion of someone who merely drives through the district on occasion.

From the above paragraph I get an idea that will bear enlargement, and that is the one of personnel. The most vulnerable point in the whole setup, is that of the fact you will always be able to have some one front your conceptions for you. If you would care to inquire, you could discover what happened to the Los Angeles Trustees, when one determined person set out to start a fire under them. The situation is a political atom bomb, and the only indeterminate factor is the length of the fuse.

I am not one whit convinced that you can transport a man from a history class into a position of leadership and administration, and create an infallible entity in one fell swoop. Evidently that is what has happened insofar as your attitude is concerned. But there are a lot of folk that still want some convincing and they just happen to be the folks that are furnishing both the kids and the finance for your program. The fact that the district now has an outside mortgage, your office has a desk of contemporary proportions, and your ego has outdistanced both of the mentioned items, should prove something if one possessed and analytical mind. To one whose chief concern happens to center in the life of the child, and his own sure reelection to office, in the order named, I find no evidence that would ever convict you of being dedicated to the principle of sounder education.

That the people of the district have stood idly by for these years and let so much of their time and resources be diverted into the promulgation of political angles, stems from natural dislike people have for stirring up unrest and disagreement. Right now all that needs be done is for someone to start to crystallize some of the sore spots, and you will have an open wound of dire dimensions. I question whether the district had any legal right to pay your salary while you were active in the promotion of certain programs, that have subsequently proved to be both unsound, impractical.

The capshaf of the meeting was your angry and brusque statement to Edna that she was opposing everything you were trying to do. You know that there is absolutely no truth in that remark, but the little matter of truth never seems to bother you in the pursuit of your objective. If you will recall, the board hired you on a false promise, and the record will show that many other inaccuracies have been chalked up against you since. Of course I refer to the fact that you told us that you had an administrative credential, only to come before us some few weeks later with this, "Gentlemen is my face red — I find that I do not have a credential, but will have to attend summer school." That is almost amazing as discovering after 1,000 copies of the Newsletter have been sent home, that some office person had made an error. I really think Mrs. Birdsell should have a raise in pay for having to accept this sort of responsibility in addition to her other work. The real truth of the matter is that Edna and her kind have worked their hearts out for you, knowing all the time that a lot of the stuff you were promoting would not bear the exray of good education. If you are going to take the attitude of a little boy, who has been corrected for walking on the dining room table, everytime you are unable to shove some plan down the throats of the folks who really own this community, then you are on the way to lose every vestage of leadership that you have attained.

I think that you owe Edna an apology. I also think that you are probably not big enough, nor humble enough, to give it to her. I hope you don't. To bring a thing like this to a head requires nothing but an issue. I believe that you have now resolved the issue. At any rate it will be a nice time to sample the spirit of the community and see who is on the right side. Let your past successes turn your head, I would like to remind you that in your present setup, you are basing your survival on the co-operation of one who could not influence more than 25 votes in a downright decision. The people on the Advisory committee come from three of the largest and best organized groups in the community — Farm Bureau, Community Church, and P. T. A. I've no formal education, but as a rabble rouser I can tell what will happen when some one with a flair for publicity, begins to knit these allies into a cohesive resistance. Add to that the ado that was created when you gave Mrs. Condon and Mrs. Nelson the "business", and you will find that not every one is an amenable to an agenda as the groups

Polk-Kouns Letter

(Continued from Page 1)

O. O. & O. A. Maurer, building contractors. Education code of the State of Calif. Dept. of Finance, Chap. 10, State Dept. of Education, Bulletin on School Lunchroom Programs.

In our own districts we talked to many people, some of them employees of the school district, who, for obvious reasons, we will not quote. We did not discuss the problem with the trustees, or with the superintendent, feeling that we should get our information from an impersonal source.

We have been told that opinions expressed to us are not legal evidence, but this is not a court of law so we will also tell you that in many cases we found strong public opinion that in our school district funds are not being spent wisely. Instances cited include the urinals in the girls' basement at Lakeside School, tables that are expensive and seldom used, windows that open onto the playground at dangerous angles, poor public relations with workmen and contractors that result in work delays and added costs, involved office procedures that are frustrating and time consuming, and expensive equipment that stand idle because it is not needed. Parents have expressed the desire for more and better paid teachers which would help the children instead of extra office and custodian help.

We were invited to serve on the Citizen's Education Committee. We were appointed to a special building committee by Tom Barkdull on the suggestion of Mr. Walker. We made our inquiries and based our opinion on what we think is best for the school children and the community. We have never questioned your honesty or good intentions. We realize that you are often called upon to make difficult decisions, and that you cannot always please everyone. We have not pleased everyone with our report but we have expressed an honest opinion.

Bertha Polk.
Edna Kouns.

Green Thumbers To Meet Monday

The next meeting of the Green Thumbers will be held in the home of Mrs. Cordelia Simmons, Monday evening at 7:30 p. m. May 4.

Mrs. Simmons' home is located on the corner of Hillside and Ivy in Lakeside Heights. If you desire further directions Phone H4-6381.

you have been domineering.

I would like to tell you before you go running to your bat boy for advice and assistance, that this letter is not the opinion of the school board, but merely the crude observations of a person who has for some years done more than just sleep in the district.

Yours advisedly,
Hart Dunham

LETTERS TO EDITOR

To the Readers of the Lakeside Star
Lakeside, California

I have known and worked with our superintendent of Lakeside Schools, Elmer Walker, for the past five years and I feel it an honor to make this public statement of the high regard in which I hold him, both as a friend and the head of our schools.

Because of the controversy over the coming election of trustees, it appears to be my duty as a citizen of Lakeside to vote for the candidates who are interested in keeping Mr. Walker as our district superintendent, since this seems to be the issue at stake. I believe that Rupert Linley and Tom Barkdull would serve on this board well and faithfully as they have demonstrated in the past in other capacities and in the case of Mr. Linley, his past years of service on the board.

In conclusion I would like to urge you to get out and vote for the two candidates who you feel will do the best job.

Sincerely,
F. L. Boyd.

Mr. Editor:

May I answer Mr. Linley's and Mr. Barkdull's statements to this paper April 23, 1953?

For several years I, too, have voted and campaigned vigorously for every bond election and vote relative to school construction. I faithfully followed the leadership of the District Superintendent and the Board of Trustees, feeling they were better qualified on school expenditures than a mere parent and taxpayer. Since then I have taken time for some backstair thinking.

I fully agree we need all the space that has been erected by our school district, cafeteriums and office space as well as classrooms. Anyone who has campaigned for "State Aid" knows the state law pertaining to classrooms and has no quarrel with that subject. My complaint is the cost of our buildings. I do not believe the frills and gingerbread or the aesthetic qualities of a building promote a better education; only work done within can do that. By sticking strictly to the essentials and denying ourselves the luxuries, I believe we could have lessened the costs. I feel that we were very greedy and greed is one of the greatest causes of dissension in the world today. This would not be a serious matter if our tremendous building program was not going to continue for many years or if we were the only community out to get all possible. Perhaps a million dollars was considered our proper share, but by taking and using every cent we helped deplete the fund. So although we have all the extras we need, I have been led to believe there are districts that were unable to get sufficient classroom funds. I want Lakeside to have the best school buildings possible but not

at the expense of other children. I will accept my share of the blame for avarice but I also feel that a greater share lies with the District Superintendent and the Board of Trustees because they have been the leaders in our school affairs.

I disagree with the theory that this is in effect a grant from the state and only a small percentage will be repaid. This money originally comes from the general fund into which you and I as well as every taxpayer in this state contributes his share. So actually we borrowed from ourselves. Our share may not be as large as others, but the more that is taken out, the more we have to put in. We repaid the state around \$3800.00 last year and this year the payment will be around \$5900.00. Our assessed valuation determines the amount of repayment, so as we increase property values, we also increase payment to the state. Perhaps if the loan had been smaller, so would the amount we have to repay.

Modern, progressive schools and buildings do attract new residents and increase population and property values. I hope all of the new residents are adults, for our supply of children is already more than we can care for. In view of our definite need for expansion, it will be to our personal and community advantage to make every cent of building funds count.

I have visited the schools quite often in the last few years. The only plans for increased uses the next school year I could see would be double sessioning. I believe the \$125,000,000.00 from our local bond voted on last October should be used to obtain every foot of classroom space possible, no matter how plain, although to do so would probably mean the elimination of some projects being contemplated which I consider unnecessary.

I do not feel that I am antagonistic to Superintendent Walker, although I occasionally hold a different opinion than his. That is not criticism but my human right in a free and democratic country. There is no community in which all citizens agree on every matter. I feel that the situation among our Board of Trustees in the past has not been healthy when every member agrees every time so affairs run smoothly. I can't believe that six men could agree on everything over a period of years. Surely that could only mean they do not consider the job serious enough to voice differences of opinion. That is why I feel that recent events, suggesting a more aware concern on the part of Hart Dunham on the Board and other citizens interested in school affairs, is indicative of a healthy community assuming its responsibilities to its children. One hundred years ago, Cowper wrote:

"The slaves of custom and established mode,
With pack-horse constancy we keep the road,

Crooked or straight, through
Quags or thorny dells,
True to the jingling of our
leader's bells.

To follow foolish precedents,
and wink
With both our eyes, is easier
than to think."

I would like to repeat Mr. Linley's quotation from the Manual of National Parent-Teachers Association: "Only the highest types of citizens — those deeply concerned with educational standards and completely aware of citizens responsibilities for community education — should be elected or appointed to these (public education) boards." I think it was well chosen for this election, as I could not think of a better description of the qualifications of Edna Kouns and Hart Dunham.

Betty Young

Dear Editor:

Just received my copy of the April 23 Lakeside Star. Never thought I'd live to see the day when Edna Kouns would be in the middle of a political fight. I lived neighbors to her for 10 years and guess I know her about as well as anyone — I doubt that she's changed much in the 6 months I've been away.

Why has Edna always been called upon by every community minded group to serve? Why has she always been able to meet the problems involved in serving with straight thinking and non-prejudiced opinion?

Because she is well known for her fairmindedness, sincere interest, knowledge of facts and tactful diplomacy in handling community situation. Her whole essence of life since I've known her has been community service towards betterment for all — with special interest in the welfare and development of children.

To have this essence thrown into the mud of political bickering is disparegeable indeed and probably soul-sickening to Edna. If it weren't for some pretty important principle of community interest involved, which she must feel is worth fighting for — one one would ever find Edna Kouns in the middle of a fight.

Since I am no longer a resident in Lakeside, this letter is not meant to voice my views upon the school situation. It is meant as a document of my personal knowledge of Edna's integrity, my faith in the fact that she always has the best interests of the community as a whole in whatever she attempts to do and my protest against any who attempt to make this interest into something it is not by questioning her veracity and purpose.

Sincerely,
Rosemary Russell
